

OPTIMISATION & MANAGED SERVICES (CARE)

CONTINUOUS ASSURANCE, OPTIMISATION AND VALUE REALISATION FOR ORACLE PLATFORMS

WHAT WE DO

- Proactive optimisation of Oracle Fusion Cloud and Oracle E-Business Suite
- Continuous alignment to Oracle quarterly updates, roadmap and innovation
- Outcome-driven support focused on adoption, efficiency and business value

HOW WE DELIVER

- Annual Oracle Health Check (including licence and usage optimisation)
- Oracle quarterly update impact analysis and recommendations
- “Adopt what matters, defer what does not” approach to change
- Business-impact-based prioritisation aligned to client objectives

GOVERNANCE & ASSURANCE

- Named Client Partner and Lead Solution Architect
- Integrated governance covering security, risk, SoD and compliance
- Clear escalation paths and structured service management
- Quarterly service reviews aligned to value, risk and roadmap

SERVICE MODEL

- Flexible, scalable resourcing model
- Delivered by a UK-based Oracle specialist team

*DESIGNED TO PROTECT, OPTIMISE
AND CONTINUOUSLY ENHANCE YOUR
ORACLE INVESTMENT*
